

**Coronavirus Crisis Assistance to Morrow County Businesses and Organizations
Through the Morrow County Development Office
April 30, 2020**

The Morrow County Development Office is working to support local businesses and manufacturers through challenges presented by the Coronavirus pandemic. This includes providing support through Small Business Administration loan applications, addressing regulatory issues, and providing updated information about recommended best COVID-19 business practices.

Please call the Morrow County Development office at (419) 947-7535 or email andy.ware@co.morrow.oh.us for assistance.
